Clonmel Town U12's have won the Danone Cup Regional Finals in Kilkenny on Sunday and are now heading to Dublin now for Last 8, well done to all involved, massive achievement. Town have a great history in this competition, hopefully we can keep the great work up. Town last had success in this competition in 2005 and in 2006, quite a number of these players are now breaking into the adult setup which is fantastic for the club.
